Bennett Mason is a completely independent estate agency with two local offices in Islington and Highbury, dealing with sales, lettings and full management of properties in Islington, Highbury, Barnsbury, Angel, Clerkenwell, Holloway, Finsbury Park, Stroud Green and Stoke Newington. As experienced estate agents, we believe in blending traditional standards and values with an up-to-date marketing vision using cutting edge IT technology systems.

Whether you are looking to sell or let your property, Bennett Mason is committed to providing the highest quality of personal service, together with a strategy that is exactly tailored to your requirements. Our team of carefully selected, experienced individuals can provide informed advice and answers to all your property questions.

Bennett Mason's primary aim is to sell or let your property as quickly as possible for the best price with a professional friendly service. To do this we believe in a proactive approach to both sales and lettings whether you are looking for a buyer or tenant.

Our selling service includes:

- High quality particulars in a range of formats
- Using our state of the art estate agency based software, we'll match your property details with a selection of suitable buyers already registered on our mailing list
- Prominent regional and national internet coverage on our website, www.bennettmason.com, as well as adding your home to the major property portals such as rightmove, primelocation, findaproerty,zoopla and many more
- Prominent 'For Sale' boards
- Managed viewing process - We'll organise and accompany viewings of your home and provide you with regular feedback from viewers
- Regular communication with a dedicated member of staff who will be available throughout the contract period
- We'll explain up-front what our selling fees are. There are no hidden costs and you have the added reassurance of our 'No Sale - No Fee' guarantee
- We belong to the Ombudsman Scheme for Estate Agents so you can be sure to get a fair deal and a clear explanation of costs
